Fetch covers what others charge extra for, or don't cover at all.

Fetch pays back up to 90% of unexpected vet bills when your pet gets sick or hurt. And when you add Fetch Wellness to your plan, you'll save on routine care that helps them stay healthy.

Injuries & illnesses

Fetch covers more types of injuries & illnesses, including exam fees, which cost \$50-\$250 per visit. Not all providers do.

Every tooth, plus gums

Your pet's gums and every adult tooth are covered. Not all providers offer complete coverage.

Alternative & holistic care

Therapies like acupuncture, massage and chiropractic care. Fetch covers these when administered by a vet.

Breed-specific issues

Not all providers cover medical conditions linked to breed, like breathing problems in French Bulldogs. Fetch does.

Virtual vet visits

Remote treatment by a vet, including calls, and video chat. You get \$1,000 per year, no copay, no deductible.

Routine & preventive care

Add a Fetch Wellness plan to your policy and save up to \$735 per year on annual exams, flea and tick meds, vaccinations and more!

And much more!
